Comedy Magician Ran'd Shine

8:00 pm, Auditorium

Ran'D is a performer, producer and educator of magic. He is a frequent performer at Monday Night Magic, New York's longest running off Broadway magic show, and has performed at the world famous Magic Castle. In addition to performing and producing magic shows, he also lectures and teaches on the art of magic. Ran'D considers magic as much more than just entertainment. He wants to expand your mind... get you to look at things from a different angle... and explore a bit of what the term "diversity" truly means. President Obama thought enough of Ran'd to ask him to perform at the military's prestigious "Salute to Heroes Inaugural Banquet and Ball!" Come discover for yourself, the "New Face of Magic!" <http://www.randyshine.com/bio/index.html>
